

MERITER[®]
Nurse Residency Program
Building Your Future

Enrollment Form

Name	Date
-------------	-------------

- What strengths and attributes do you possess that will help you be successful in this program

- Describe your professional goals as you begin your nursing career?

- On a separate sheet of paper, please submit a narrative of a memorable clinical experience in which you demonstrated professional growth. Clearly articulate the incident and what you learned from it. To write this narrative, use the following guidelines:
 - Choose a story that has personal significance, one in which you experienced personal growth or change in perspective
 - Reflect on the situation and describe your thoughts, feelings, concerns and how you changed as a result of this experience
 - Write the story in a narrative or first person reporting style.
